PETITION FOR REVIVAL OF APPLICATION FOR PATENT
ABANDONED UNAVOIDABLY UNDER 37 CFR § 1.137(a)

Mail Stop Petition
 Commissioner for Patents
 P.O. Box 1450
 Alexandria, VA 22313-1450

Sir:

Pursuant to 37 CFR § 1.137(a), Applicant hereby petitions for revival of the above-identified application for patent.

A Final Office Action in the above-identified application was mailed on April 7, 2004.

An Amendment After Final Action Under 37 CFR § 1.116 was filed by the Applicant on July 7, 2004 in response to the abovementioned Final Office Action.

An Advisory Action in the above-identified application

was mailed on November 18, 2004.

No notice of Abandonment of the above-identified application has been received as of the date of filing of the present petition.

The Advisory Action of November 18, 2004 stated that the period for reply expired three months from the mailing date of the final rejection, that is, July 7, 2004.

It is respectfully submitted that the Amendment After Final Action Under 37 CFR § 1.116 filed July 7, 2004 contained amendments to the abstract, specification, and claims, and was believed to place the above-identified application in condition for allowance.

Furthermore, it is respectfully submitted that the Advisory Action was mailed November 18, 2004, that is, more than four months after the expiration of the above-described stated period for reply.

It is respectfully submitted that Applicant could not learn of the non-entry of the Amendment filed July 7, 2004 until well after the expiration of the period for reply, due to the date of mailing of the Advisory Action.

Therefore, it is respectfully submitted that the entire delay in filing the reply specified in the Advisory Action of November 18, 2004 from the specified due date to the filing of a grantable petition pursuant to 37 CFR § 1.137(a) was unavoidable.

In reply to the Final Office Action Under 37 CFR § 1.113 Applicant submits herewith a Request for Continued Examination.

It is submitted that since the above-identified

application was filed on or after June 8, 1995, no terminal disclaimer is required.

The petition fee for other than a small entity under 37 CFR 1.17(1) is submitted herewith. Additionally the fee for the Request for Continued Examination under 37 CFR § 1.17(e) is submitted herewith.

Any deficiency or overpayment of fees should be charged or credited to Deposit Account No. 03-3125.

Revival of the above-identified application and an early and favorable examination on the merits are earnestly solicited.

Respectfully submitted,
COOPER & DUNHAM LLP
